The Aston Martin DB2 is a sports car that was sold by Aston Martin from May 1950 through to April 1953. The successor to the 2-Litre Sports model, it had a comparatively advanced dual overhead cam 2.6 L straight-6 engine in place of the previous pushrod straight-4. It was available as a closed, 2-door, 2-seater coupé which Aston Martin called a sports saloon, and later also as a drophead coupé, which accounted for a quarter of the model's total sales. The closed version had some success in ...

Aston Martin 1950 - Classic Car Catalogue

1953 ASTON MARTIN DB2 MODEL HISTORY Three prototype DB2s were tested and raced throughout 1949, and the new production model was announced by Aston Martin in the Spring of 1950 timed to coincide with the New York Auto Show in April. Their meticulous preparation and testing paid off, the car was an instant success with press and public alike and 100 orders were taken at the

1950 Aston Martin DB2 | Classic Driver Market

The body is numbered one before '50/1' and it is believed that '50/12' is the first production DB2 sold by Aston Martin. '50/12' was the first post-war Aston Martin saloon to be exported to the USA following sale, and is pictured, leaving the Feltham works en route for the docks, in Andrew Whyte's book on the marque.

Bonhams : 1950 Aston Martin DB2 3.0-Litre First Sanction ...

(1950) Aston Martin chairman, David Brown must have been sufficiently encouraged by the performance of his embryonic racing team in 1949, that he recruited John Wyer as team manager in March 1950 shortly before the DB2 was first shown to the public. Despite the immense demand for cars, the very next three cars off the production line following the show car were diverted to the racing ...

Aston Martin - Aston Martin DB-1 Sports (1948-1950)

The DB2 was available as a two-seat, two-door fixed head coupe, or as a drop head coupe. When the change was made to the DB2/4 in 1953, Aston added a fastback coupe to the line, which was technically a 2+2 with limited back seat space. Astons of this era featured hand-formed aluminum bodywork hung on a tubular steel chassis.

1950 Aston Martin DB2 Values | Hagerty Valuation Tool®

The 1950 Aston Martin DB2 Fixed-Head Coupe would be powered by a 2.6L DOHC inline six-cylinder engine, which had been acquired during the purchase of the Lagonda company. It was capable of more than 120hp and could reach a top speed of 116.4mph according to an article by The Motor in 1950. It also revealed a 0-60 time of just 11.2 seconds ...
