Beyond the Supernatural is implicitly set in the modern day, wherein magic and psychic powers are real and monsters and demonic cults exist, but out of the public eye. This, however, is not set in stone, and most of the character classes are flexible enough to account for variant settings or time periods.

### Beyond the Supernatural - Wikipedia

Beyond the Supernatural™ Two builds on the bones of the classic BTS game to create a modern world of horror and magic unlike any before it. The supernatural is real. Psychic abilities and the paranormal are real. Magic is real. Yet science and authority figures dismiss them as hysteria, hoaxes and madness. However, special individuals gifted with special abilities or cursed with firsthand encounters find themselves inexorably linked to the paranormal and forced to deal with the consequences.

### Beyond the Supernatural™ RPG - Palladium Books

In a lot of ways, Beyond the Supernatural 1e feels like a sort of beta version of Rifts. Sure, it doesn't have dragons or mecha or Illinois Nazis, but BTS has characters with psychic powers and magical abilities fighting monsters from other dimensions that creep into our reality through rifts at ley lines.

### Beyond the Supernatural by Randy McCall - Goodreads

Synopsis. Beyond the Supernatural Two™ builds on the bones of the classic BTS game to create a modern world of horror and magic unlike any before it. The supernatural is real. Psychic abilities and the paranormal are real. Magic is real. Yet science and authority figures dismiss them as hysteria, hoaxes and madness.

### Beyond the Supernatural | Rifts Wiki | Fandom

History. " Beyond the Supernatural is a horror role-playing game published by Palladium Books. It has seen two editions published, both of which have introduced innovations on Palladium's standard mechanics. A versatile horror-themed game, it lends itself well to wildly different play styles and narrative tones, from schlock splatter-horror, to intense psychological horror, with an entire spectrum of terror (or humor, or action) in between.

### Beyond the Mat (Supernatural) - Wikipedia

Beyond the Supernatural is an older D20 system. The rules for combat are pretty straight forward. If you are proficient with the weapon i.e. if you choose a weapon proficiency skill, for example sword w.p., when you attack with your character you have a plus to your D20 roll. They also takes into consideration your attributes.
