Seagull used the letter 'R' to denote a motor had been reconditioned, but there is no indication when the reconditioning might have been completed. (Just to add to the confusion they used 'R' on some very late models with the ill fated roller bearings). The letter 'L' was

Download Free British Seagull

used to denote
'longshaft'. In early
years this was added
to the end of the
number code, later,
from ...
