I have the parts and owners manuals in pdf already. I think this is the electronic version of the official ducati manual. Cost me £80 way back in 2004 so a great deal and somewhat better as you don't need to carry the manual around. Just chipping in, ever hopeful. In 1998 I paid £80 for my YZF-R1 workshop manual. That's about £140 in today's money. So yeah, I'd happily pay £140 for a bound copy of a panigale v2 workshop manual, or £110 for a properly indexed e-copy....or £80 for just a download of it for me to index.
