Reading Wrap Up | Summer 2019Elegance Kathleen Tessaro

Kathleen Tessaro, Elegance (Morrow, 2003) There is a particular passage in the book-within-a-book Elegance that defines, in a far more eloquent way, something I've been trying to pinpoint about the major problem with the fashion industry, and a major problem with western culture in general.

Elegance by Kathleen Tessaro - Goodreads

This stands out from the pile because of Tessaro's use of a clever device- a real life tome from the 1960's on "Elegance" offering advice to women on how such a virtue could be achieved. Tessaro got permission to use this book centrally in her novel (and befriended the author). This provides a structure for her novel and it works extremely well.

Her debut novel, Elegance, became a bestseller in hardback and paperback. All of Kathleen's novels (Innocence, The Flirt, The Debutante, The Perfume Collector, and most recently, Rare Objects) have been translated into many languages and sold all over the world. She returned to Pittsburgh in 2009, where she now lives with her husband and son.

Born in Pittsburgh, Kathleen Tessaro studied drama before emigrating to London. After ten years working as an actress in films, television, and theatre, she left the profession and spent several years working for the English National Opera, while training in the evenings as a drama teacher and voice coach. During this time, she began to write. Working on short stories during her lunch hour ...

Elegance - Kathleen Tessaro: | Foyles Bookstore

The revelation that 'elegance' merely means looking appropriate for the occasion, for one's companion and for oneself, comes slowly—Louise actually arrives at date with a man at the Ritz in a tarty outfit and panicking must swap clothes with a more classically refined friend --- Tessaro has fun making the most of describing Louise's faux pas along the way to discovering a style of her own.

Elegance is an A/Z of style, written by French fashion expert, Madame Antoine Dariaux: a veritable what-not-to-wear in print. When Louise starts to follow Madame's advice, her life is transformed. From Accessories to Zippers, there is nothing Madame cannot advise upon, including types of husband (the blind, the ideal, the dictator) and shopping with girlfriends (don't).
