Beckwith, professor of Central Eurasian studies at Indiana University, suggests in his recent book, Empires of the Silk Road (Princeton University Press), that 'the most crucial element' of societies all through Central Eurasia—including the ones analyzed by this exhibition—was the 'sociopolitical-religious ideal of the heroic lord' and of a 'war band of his friends' that was attached to him and 'sworn to defend him to the death.' This idea, he suggests, affected the ...

A book review by Danny Yee © 2011 http://dannypress.com/. Beckwith is a historian of the old school, trained in philology and careful analysis of sources; he is also rather biased, entirely unsystematic, and idiosyncratic in the extreme. Empires of the Silk Road is gloriously erudite and digressive, offering some unusual ideas and perspectives, but it needs to be read with care.
