ERC Advanced Grants are designed to support excellent Principal Investigators at the career stage at which they are already established research leaders with a recognised track record of research achievements. Principal Investigators must demonstrate the ground-breaking nature, ambition and feasibility of their scientific proposal.

Funding & tenders - European Commission

185 scientists win European Research Council's Advanced Grants. The 185 winners of the ERC's annual Advanced Grants competition were announced today. They will explore their most daring and innovative ideas proposed in response to last year's call. The new research projects, apart from strengthening Europe's knowledge base, are expected to lead to the creation of some 1,800 new jobs for post-doctoral fellows, PhD students and other research staff.

ADVANCED GRANTS | ERC: European Research Council

Erc Advanced Grant Research Proposal Part B1 Loria

The European Research Council (ERC) is a EU institution that promotes high quality research in Europe. It funds individual investigators in any field of research - and it does so substantially: With up to 3.5 Million Euros, an ERC grant is Europe's highest research funding for individuals - and a very coveted prize: Only about 12% of proposals get funded, so competition is fierce.

Hear it from the expert - Twelve tips on how to prepare an ...

Profile of the ERC Advanced Grant Principal Investigator . ERC Advanced Grant Principal Investigators are expected to be active researchers and to have a track record of significant research achievements in the last 10 years which must be presented in the application. There is little prospect of an application succeeding in the absence of such a record, which identifies investigators as exceptional leaders in terms of originality and significance of their research contributions.

Funding & tenders - European Commission

The ERC Advanced Grant is part of the European Research Councils (ERC). The ERC grants are highly competitive and an outstanding track record is an important factor of success. As well as the research carried out by the researcher, it is an ambitious program aiming to recognise the best ideas and talents.
