Hidden (House of Night #10) (3) Travis started to say something, but his words were drowned in a terrible, hacking cough. "Excuse me, ma'am. The gurney's here." Lenobia moved to the side as Travis was transferred to the gurney, but their gaze never broke. She walked beside him as they rolled him to the waiting ambulance.

Hidden [House of Night 10] Sadly, I literally had to force myself to read this book. That's how bad or how far this series has come too. I remember when I first found Marked in 9th grade and how in love with the series I was. I found the next book or two and read them over that same weekend. But now...I'm so over it.

After all those books before Hidden, I was getting bored of this series. I mean, seriously, The House of Night series is just getting way too long. This is like Private by Kate Brian. Just no. I think books like these (number ten in the series of The House of Night) should have a recap. (TV Talk now) Recaps are nice.
