Historic preservation is an essential tool in two of the four key strategies of DVRPC's Long-Range Plan: Create Livable Communities and Manage Growth and Protect the Environment. DVRPC has identified over 120 livable communities that already exist in our region.

DVRPC > Historic Preservation

"I've seen the power of historic preservation as a key component to a livable community, that is rich and varied. Not just merely the historic character, but the mixed uses, architectural diversity, human scale and function, economic development, jobs and the creation of value." - Representative Blumenauer (Source)
