Industrial Engineering & Ergonomics (ME-504) - B Tech RGPV

Founded in 1955 in Belding Michigan, Industrial Engineering Service (IES) was started by David Laux, a local farmer and accomplished toolmaker. Dave's tooling customers appreciated the quality of his work enough to ask him to run their parts for them as well. What began as a tool and die shop catering to the growing local appliance industry soon transformed into a broad-ranging production shop running the dies that Dave built.
