App Store Connect is a suite of web-based tools for managing apps sold on the App Store for iPhone, iPad, Mac, Apple Watch, Apple TV, and iMessage. As a member of the Apple Developer Program, you'll use App Store Connect to submit and manage apps, invite users to test with TestFlight, add tax and banking information, access sales reports, and more.

App Store Connect - Support - Apple Developer
iTunes Connect Developer Guide contains general information about creating an iTunes Connect record for your app to submit it to the App Store or the Mac App Store. In addition, this document describes other steps you'll need to complete to prepare to market your app, including setting up your organization's contracts and banking information, and submitting app metadata, including artwork and localization information.
