So I bought this book because I love Lacey Weatherford. I also love *Crush* and *Smitten* (the previous books in this series). This book starts off great; you will become happy, overjoyed, concerned, upset, happy again, terrified, and happy. At one point in this story I was holding my breath with everyone in the 'room'.

"Smitten the sequel to Crush was definitely worth the wait! The way that Lacey Weatherford is able to capture the love between Hunter and Cami is magical. A true love story doesn't have to resolve around the sex, true love is the tenderness and endearing actions that you do daily. No wonder Lacey has been named The Queen of Hearts!"
