~~M Tech in Biomedical Engineering
course—Manipal~~

The Department of Chemical Engineering started in 1969 with BTech program in Chemical Engineering. Our department offers MTech since 2009 and Ph.D program in Chemical Engineering since 2000. The BTech program builds on the core elements of heat, mass and momentum transfer, thermodynamics, chemical kinetics, transport processes, control process, with a hands on experience in state of the art laboratories.
