From award-winning author Sharon Draper comes Out of My Mind, the story of a brilliant girl who cannot speak or write. Melody is not like most people. She cannot walk or talk, but she has a photographic memory; she can remember every detail of everything she has ever experienced. She is smarter than most of the adults who try to diagnose her and smarter than her classmates in her integrated classroom—the very same classmates who dismiss her as mentally challenged, because she cannot tell ...

The book "Out of my mind" by Sharon M. Draper has changed my view of how people view others. This book is the story of a girl who was born unable to speak, walk, write, or anything on her own. Ever since the day she's been born she's always been helped by someone, never able to do something on her, not even talk.
