"Politics and the English Language" is an essay by George Orwell that criticised and ended the "ugly and inaccurate" written English of his time and examines the connection between political orthodoxies and the debasement of language. The essay focuses on political language, which, according to Orwell, "is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind". Orwell believed that the language used was necessarily vague or meaningless be

'Politics and The English Language' is one such essay. Orwell starts from the premise that the decline of the English language has been caused by political and economic factors. It has become 'ugly and inaccurate because our thoughts are foolish' while the slovenliness of our language has made it easier to have foolish thoughts in the first place.

Politics and the English Language (Penguin Modern Classics ...
Modern English, especially written English, is full of bad habits which spread by imitation and which can be avoided if one is willing to take the necessary trouble. If one gets rid of these habits one can think more clearly, and to think clearly is a necessary first step toward political regeneration: so that the fight against bad English is not frivolous and is not the exclusive concern of professional writers.

George Orwell - Politics And The English Language ...
Politics and the English Language. George Orwell 's central argument is that the normalization of bad writing leads to political oppression. Orwell starts with the premise that the distortion of "language" reflects a "corruption" of "civilization.". But Orwell objects to the conclusion he believes readers usually draw from this initial premise.

Politics and the English Language by George Orwell Plot ...
George Orwell's essay "Politics and the English Language," begins by refuting common presumptions that hold that the decline of the English language is a reflection of the state of society and politics, that this degeneration is inevitable, and that it's hopeless to resist it. This disempowering idea, he says, derives from an understanding of language as a "natural growth" rather than an "instrument which we shape for our own purposes" (251).
