Use a Graphic Organizer: On chart paper, create a graphic organizer. In the left column, title it, Problem and on the other side (the right), title it, Solution. Write (or draw for young students) the place in the story where the problem happened under problem and again where the problem was resolved on the right.

### Problem and Solution Reading Activities with Graphic ...

The memory motions we used for problem and solution were very simple. We did a sad face and a thumbs down for problem and a big smile and a thumbs up for solution. This week was a 4 day week (yay!), so we read a read aloud together everyday, did a quick problem and solution match, and then charted the problem and solution. Here are the books we ...
