APA style is a writing style and format for academic documents such as scholarly journal articles and books. It is commonly used for citing sources within the field of behavioral and social sciences. It is described in the style guide of the American Psychological Association, which is titled the Publication Manual of the American Psychological Association. The guidelines were developed to aid reading comprehension in the social and behavioral sciences, for clarity of communication, and for "wor

## APA Style

With each new edition of the Publication Manual there is a transition period, in which authors continue to submit journal articles and students continue to write papers in the previous edition's style. We recommend that editors and instructors make the switch and adopt the seventh edition Publication Manual in January 2020 or thereafter.

Publication manual of the American Psychological ...

I use this manual for reference citations for the grad school classes I am taking. The information is available for free online, but I appreciate having a book in front of me. I thought the spiral-bound book would lay flat and be easier to use than the paperback, but the wire catches on the pages way too often and bends the pages.
