Reflection on mental health nursing Free Essay Example

Reflection is a way of analysing a past incident in order to promote learning and development. Gibbs (1988) reflective cycle can be seen as cyclical in nature which incorporates six stages to enable me to continuously improve my learning from the event for better practice in the future. The six stages are: 1. Description 2. Feelings 3 ...

Reflection On Mental Health. 802

Words4 Pages. In my opinion, mental illness is also called psychiatric disorder, which affects an individual ' s way of thinking, behaving and perceiving, and interacting with other people. Upon reflection, I felt that my anxiety was largely due to my negative preconceptions about mental illness especially my belief that mentally ill people are violent, unpredictable, and dangerous.
