Revived is the highly anticipated second novel from Cat Patrick. Although I hate to compare books and authors my reaction to this book was the same as when I read Delirium after Before I Fall. As a reader, I think there is a style of writing you love more than I wasn't expecting the emotional aspect of death & bereavement captured in this book.

Revived by Cat Patrick - Goodreads

Cat Patrick is the author of Forgotten and Revived. She lives in the Seattle area with her husband and twin daughters. She lives in the Seattle area with her husband and twin daughters. When asked about how she comes up with the concepts for her novels, Cat explained that she has a love for "high school strange."
