Alarm Resources~~

The Simplex 4010ES fire alarm system is a highly flexible and powerful 1,000-point addressable analog system for small- to mid-sized facilities.

Unlike many systems of this size, points can be used for detectors,

Download Free Simplex 4010

modules or manual stations as needed to meet the requirements of each building. Labor-saving features such as device-level ground fault isolation and almost dirty smoke sensor status ...
