Intrareligious Dialogue . As often occurs in Panikkar's works, the book is preceded by several different prefaces succeeding each other in time and bearing witness to the constant endeavor to update and revise his opus. This particular work presents a methodological outline for dialogue, with its openness and "in progress" approach.

'Intrareligious' dialogue emphasises that the encounter should be seen primarily as a meeting of people rather than as a meeting of religions. In order to set forward this thesis, Panikkar does battle with the concept of neutrality in dialogue. 'Epoche', with its method of bracketing personal beliefs out of the encounter, has been a ...

In interreligious dialogue, there is a mutual sharing between the partners; both are winners; no one is a loser. Both partners grow in their knowledge and appreciation of God, the world and each other. Ecumenism. Interreligious dialogue is not a wider form of ecumenism.

~~Interreligious Dialogue~~

Interfaith dialogue can be an excellent way to heal divisions in society. Social science research indicates that having a positive, meaningful relationship with someone of a different background and learning about their identity correlates to viewing that person's entire group more favorably. The same logic applies with interfaith conversations.
