The Price Of Pleasure Sutherland

This book Price of Pleasure is the second out of two books in the Sutherland Brothers series and features Grant Sutherland and Victoria Dearbourne. This was a brilliant second

instalment in the series and the only thing I could say

negatively about it was that there wasn't more and that the

series finished with this book.

The Price of Pleasure (Sutherland Brothers Series #2) by ...  
This series of the Sutherland brothers is my next favorite. In  
both The Price of Pleasure and Captain of All Pleasures, the  
character development and the progression of the romance  
are believable. I found myself rooting for the hero and  
heroine.
