A person's second language, or L2, is a language that is not the native language of the speaker, but is learned later. A speaker's dominant language, which is the language a speaker uses most or is most comfortable with, is not necessarily the speaker's first language. The second language can also be the dominant one. For example, the Canadian census defines first language for its purposes as "the first language learned in childhood and still spoken", recognizing that for some, the earliest lang
