Jensen - Goodreads*

Surrogacy is an arrangement, often supported by a legal agreement, whereby a woman (the surrogate mother) agrees to bear a child for another person or persons, who will become the child's parent(s) after birth.. People may seek a surrogacy arrangement when pregnancy is medically impossible, when pregnancy risks are too dangerous for the intended mother, or when a single man or a male couple ...

Surrogacy . When a child is born through surrogacy, the intended parents will need to apply to the court for a parental order. This transfers legal parenthood from the surrogate (and her husband or civil partner, if she has one) to the intended parents. This is an important process because without a parental order you or your partner may not be your child's legal parent in the UK. This means ...

The Surrogate (Brennan & Esposito, #1) by Tania Carver

The Surrogate is a talkative film, and rightly so. The film juggles a variety of sensitive and controversial themes and Hersh, who also wrote the film, attacks it with ambitious scope, and sufficient insight and depth. It probes questions that are too difficult to answer and as I watch it, I'm continuously asking myself and surprisingly compelled by Hirsh's
