Dan Simmons

When her companion dies, she remains aboard Terror, settling into a chain locker in the ship's hold, and comes and goes as she pleases. The crews are afraid of her, believing her to be a witch, and on at least one occasion her life is threatened by Hickey's faction, though Captain Crozier is able to defuse the situation. She apparently follows the men when they leave the ships behind and saves ...

Whilst Simmons adds some John Carpenter thrills, the actual story has more than enough horror for anyone: Franklin's two ships, the Erebus and the Terror, set off in 1845 but were trapped in the Arctic ice for years, with the ships only finally discovered in the last few years. None of the 100-plus men on the ships survived; little is known about how they died, but starvation,
